IV. CHECKS

4.1 Administrative Checks

4.1.1 Competitors must attend in person at the time and place stated in the Programme.

4.1.2 Documents: signed entry form, competitor's licence, sports insurance, vehicle registration and insurance, sporting technical passport (if applicable), and any documents required in these SR.

4.1.3 Except when authorised by the Clerk of the Course, those missing their time will not be allowed to start.

4.1.4 All drivers must hold valid driving licences and LASF "C/CI" or equivalent FIA ASN licences; all crew members must have valid licences and sports insurance.

4.2 Technical Scrutineering

4.2.1 Vehicles must be presented at the stated times.

4.2.2 Mandatory advertising stickers are issued during Administrative Checks.

4.2.3 Vehicles must arrive with numbers and advertising already affixed.

4.2.4 Incorrect advertising placement = start refusal, no refund.

4.2.5 New stickers may be purchased at the Secretariat.

4.2.6 ATV class participants must wear a high-visibility vest with their competition number displayed on both the back and the chest. If such vests were provided to the participants in previous competitions, participants are responsible for bringing their own. If you change the class in which you are competing during the championship season, you must inform the registration/administrative commission about it. If a crew is participating in a competition for the first time in the 2025 season, the organiser will issue the vests during the administrative commission and assign the crew's competition number. The competition number may also be displayed on the ATV, but wearing the vest is mandatory. If the participant's vest is unfit for use and was issued previously, the participant will be provided with a new vest during the administrative commission for a 15 EUR fee; in such a case, the participant's competition number will also change.

4.2.7 Competition numbers must be unique (see ["2025 Borto numerių registras"](#)).

V. RUNNING OF THE EVENT
